This is to certify that

Antonella Borsero

has participated in the

FIDIC 2015 On-line Module 1 Course

The Module 1 Course covers Conditions of Contract for Construction (Red Book) and Conditions of Contract for Plant and Design Build (Yellow Book).

The programme is organised and conducted by FIDIC and arranged as 9 virtual lectures dealing with the contract clauses and procedures as well as discussion of specific contract issues over a period of 5 months from February to June 2015.

During this period, the participants have worked with a number of specific cases related to the practical use of the contracts and presented their proposed solutions and conclusions at the virtual sessions.

The below topics have formed the backgrounds for the case work:

- General FIDIC background
- The roles of Employer, the Engineer and the Contractor
- Works execution
- Claims disputes and arbitration
